Mr. Wolf Goldmen,

Sir,

I have to refer to your letters of 13.1.38 and 28.1.38 on the subject of the termination of your appointment as tax collector. I understand that you were given formal notice to this effect by the District Officer, Nathanya. The position as stated in the second of para of your letter of 28.1.38 does not, therefore arise.

2. With regard to the statement^{contained} in your letter of the 13th January, 1938, that you carried out your job to the satisfaction of every body, this is not the case, and I would especially refer to your failure to attain a satisfactory knowledge of Hebrew, despite the warning given you in writing by the District Officer Nathanya on the 6th January 1937.

I am,

Yours faithfully

Sir

According to your instructions I have despatched by registered mail the two enclosed letters to you thro' the District Office, Nataria, and to my great surprise no reply was received up to date.

I beg to draw your attention to the fact that as I did not receive a letter of dismissal I don't know whether I am still considered a Government Officer which I have every right to be.

As my above applications have not yet been considered I still hope that I might resume my work as Tax-Collector, and I therefore should be extremely grateful if your kind decision will be communicated to me as soon as possible.

Sir,

I would like to put the following before your consideration and decision please.

To day at 11 o'clock when I was called by Mr. Chizik to see him in connection with my case, he pointed at me before Mr. Gourg'i, clerk, and said "What this bloody fool makes" to which I did not say anything and during our conversation he again insulted me by calling me "xandroul" (in Hebrew Menoural.)

I cannot keep quiet after such insults, Mr. Chizik having no right to address me in such a language.

I am a simple person who is doing all in my rights to secure my job, and I consider it lawful to apply to you for justice when I cannot find it with the District Officer who happens to be my boss and who has to me only a personal grudge. I am more than certain that there was no other reason for my dismissal only Mr. Chizik's

dislike and his promise to Mr. Cheloché to secure
him employment and I should not be made to
suffer for Mr. Chizik's misdoings.

I therefore apply again to you to interfere
in my case and to judge whether Mr. Chizik
has any right to insult me before other people
for no reason whatsoever.

Excuse me for the extra trouble I cause you.

Sir,

I beg to submit the following application for your kind consideration.

I was employed as a tax collector by the District officer, Tul-Karem, at the request of Mr. Chizik for a period of 2 years after being examined and found fit for service. Lately I was asked to give the greatest part of my salary namely L.P. 9 to a certain Mr. Chelouche who is working unofficially in the District offices Natania, while I have not yet received any order for my dismissal from you, as I understand it is still hanging final decision. I could never agree to such an unjust and strange proposal which was made to me by Mr. Chizik and upon refusing, I was sacked away by Mr. Chizik, I see no justification to such an action and treatment, I ask your kind intervention in my case. I find myself now unemployed at such a critical time. I am unable to find employment now. I therefore ask you to have mercy on my ~~pitiful~~ situation and to reconsider my case favourably.

DISTRICT OFFICES
NATHANYA

20th January, 1938.

Dear Mr. Grimwood,

In compliance with your request to draft a reply to Mr. Wolf Goldman I would like in the first place to point out the following facts concerning his work :-

Mr. Goldman was appointed as a Tax Collector for field work only, and on the understanding that he will improve his knowledge of Hebrew to enable him to issue receipts and to deal with correspondence. During the first few months of his employment in Tulkarm, he was not carrying out any responsible work on his own, but was going around with one of the Arab Tax Collectors to learn the job. Then came the disturbances and several months elapsed until Government Offices were opened at Nathanya, and the collection of taxes was resumed. By being now responsible for the whole office, I came across Mr. Goldman's work and realized his lack of knowledge of the official languages and general weakness as far as accounting, book keeping and general correspondence were concerned. It was already then that I advised him to employ a teacher and improve his general language knowledge, which became essential for the increasing work in our new office. I even troubled myself to find him a teacher and instructed him as to the best way of teaching Mr. Goldman. In spite of all this, he did not study or attempt to improve or to acquire what he lacked for his job. I found it then necessary to warn him officially in writing in accordance with General Regulations. A copy of a letter to that effect dated the 6.1.37 is found in his personal file. Mr.

P.T.O.

Goldman's statement therefore, that he carried out his work to the satisfaction of everyone is erroneous.

The efficiency and respect of the Government Office at Nathanya to which I am responsible demanded, therefore, that I should look for a better man to carry out the work of collecting taxes and be responsible for the Revenue Department, which was now opened as a result of the transfer of the revenue lists concerning Jewish settlements to this office. Mr. Goldman was then given a month's notice, but as I hoped that we may receive another Tax Collector, I allowed him one and half more months. That means, that he was employed for two and half months after his dismissal. Mr. Goldman's request for leave is doubtful altogether, and I do not believe that he is due any leave, by virtue of his probational appointment.

I suggest that this case be now closed with a final reply to Mr. Goldman in the spirit of the facts mentioned above.

IC/SR

Yours sincerely.

J. Chizik

Asst. Dist. Comm.
Tul-Karem

13/1/38

23

Sir,

I beg to submit the following before your kind consideration and I shall be much obliged for any action you deem necessary.

I am employed as a Tax-collector for two years and I am sure that I have carried out my job to the satisfaction of everyone. On the 1st December last I received a letter from the D.O. Nalanya, Mr. Chizik informing me that he no longer requires my services. I have then forwarded the letter to you but I did not receive any reply. As ~~how~~ I have continued to work and carried out my duties in the usual way. On the 25th December I was asked to hand over to Mr. Chizik the letter of dismissal which he has sent to me informing me that I can continue to work until a further notice. I was therefore much surprised when Mr. Chizik told me last week that if I desire to continue in the Government Service I should give L.P. 9 out of my salary (which amounts to L.P. 13 including L.P. 4 house allowance) to a certain Mr. Chelouch which is working in our office since last month.

NY 100-97

2

Of course I refused to this queer arrangement as I cannot live on on L.P. 4 which hardly suffices to keep my horse. The idea of Mr. Chizik being that as he has no authority to keep two clerks the salary should be made payable to me while Mr. Chelouch will actually receive it.

● only put this strange proposal before you, Sir and you will agree that it is impossible to agree to such an arrangement only to please Mr. Chizik.

The situation at present is as follows:

● Relying on the permanency of my job with the Govt. I have borrowed a sum of L.P. 150 for which I obtained permission from the Govt. (In case my dismissal was then in power no such permission would have been given me). I also purchased a pistol for protection (I am always in danger while collecting taxes) I also acquired a motorcycle to enable me to carry out my duties quickly. Wherefrom shall I get money to repay my debts? The situation in the country is bad. I cannot obtain a new job now. I think that you will agree that there is no justification in dismissing me and employing a new clerk only because Mr. Chizik made promises to him to give him employment. His proposal to me

as stated above that I should give him P.9
out of my salary proves it.

I therefore apply to you, Sir, to consider my
case favourably and justly as I was told by
Mr. Chizik to day verbally that I should hand
over to day my receipt book to Mr. Chelouch
and that as from tomorrow my services
are no longer required.

Mr. Chizik also refused to give me my annual
leave which is due to me.

Hoping that you will find a way to help

Thanking you in anticipation

Sincerely yours
Welf Feldman

Asst. District Commissioner,
i/c Tulkarem Sub District

14th. November, 1937

SUBJECT :- Mr. Wolf Goldman -Tax Collector.
REFERENCE :- Attached petition.

- - -

I enclose herewith a letter addressed to you by Mr. Wolf Goldman concerning his dismissal.

2. I have nothing to add except the fact that his dismissal was not due to any recent "misunderstanding", as stated in his petition but to a complete unfitness for the position he is holding.

3. He was warned by me on several occasions orally to improve his knowledge in the languages etc.. The last warning was sent to him in writing on the 6th of January, 1937, a copy of which is attached. Moreover, I myself appointed for him a Hebrew Teacher, but he did not attend the lessons regularly.

A period of 10 months is sufficient to reach a final decision about the ability of a person to show any progress.

I suggest that petitioner be replied in the spirit of my letter, pointing out to him the enclosed facts.

Tax Collector,
Mr. Z.Goldman,
Nathanya.

I am sorry to point out that I see
no progress in your knowledge of the Hebrew Language
although I repeatedly pointed out to you to the
necessity of studying it thoroughly.

The knowledge of at least one language is
conditional to any job in the Government.

I warn you for the last time that unless
you acquire the necessity knowledge of the language
I will have to consider you as unfit for the job
you are now occupying.

11th November 1937

Asst. Dist. Commissioner
i/c Tulkarem Sub District
Thro' District Officer, Nathanya

Sir,

I received from Mr. Chizik, District Officer, Nathanya, a letter of dismissal on the grounds that, "my knowledge of Hebrew is very poor and my ability to make the simplest calculations or to keep the simplest accounts insignificant and also that I proved myself unreliable in work and conduct".

And whereas such accusations may cause me damages and be an obstacle in my future life, I humbly apply to you to consider my situation and to enable me to prove to you that all the above accusations are groundless (being apparently due to a misunderstanding), and you also may examine me in Hebrew and accounts to verify my actual capacity.

I would like to add that during all the time of my employment under Hilmi Bey Hussein, District Officer, Tulkarem, no complaints were made concerning my work and conduct.

I also beg to point out that a period of approx. two years of service is long enough to be described as "on probation".

I trust that you will be kind enough to consider my application favourably.

I should be much obliged if you would kindly consider the possibility of an interview with me.

Thanking you in anticipation.

The above is a translation of the original Hebrew letter, enclosed herewith.

Faithfully Yours,

Walf Goldman

Tax Collector

I also enclose copy of my letter addressed to the District Officer, Nathanya.

I beg to acknowledge receipt of your letter dated 27th October, 1937 and to express my protest against your unjust accusations given as a cause for my dismissal.

I also do not find it necessary to submit my resignation, as verbally requested by you, because I do not consider that the reasons given by you are correct, a thing which I can prove .

I am in receipt of your letter of April 1, 1960, regarding the refusal of the House-Tax Collector to accept the U. S. Government's offer of a refund of the tax on the interest on the loan of \$100,000 to the House-Tax Collector. I am sorry that I cannot advise you of a more favorable result. The House-Tax Collector's refusal is based on the fact that the House-Tax Collector is not a U. S. Government employee and, therefore, is not entitled to a refund of the tax on the interest on the loan of \$100,000 to the House-Tax Collector.

Very truly yours,
Director, Federal Reserve Bank

Subject :- Attached claims.258/150,258/232, & 258/231.

The villagers have been asked about this affair and state it is quite true that lots of them did try to leave the village, the troops arrived as they were all leaving for their fields or work after dawn, it is presumed that the troops saw these and tried to turn them back to complete the village check.

There are no criminal records against any of the three claimants, and it is recommended that their claims be carefully considered.

I forward these 3 files for authority to review them. They are all concerned with the same incident.

I held "no claim" because they were cordon breaking but I think the police report dated 15.7.40 in each of the would justify an award. They all seem to have been innocent people who were frightened.
